

Robin Flower's
Fiddle Lessons for Kids

I love playing the fiddle and I love teaching it to kids! Through Celtic, oldtime, swing, and Cajun tunes, I teach good technique, intonation, tone, rhythm and bowing while learning lively and timeless dance tunes. I teach with music/by ear. I teach scales and double stops, soloing and playing back up.

I set my students up with reasonable, goal-oriented practice schedules. I expect results. And I expect your child to have fun.

I encourage my fiddle students to play with others and so I give them the skills to do so successfully.

I teach Mondays-Thursdays, from 10am-9pm.

Please contact me by email at flower2mcl@earthlink.net or by telephone at 510.482.9479
